Welcome to Drimsynie Holiday Village!

As well as the breath-taking scenery, luxury accomodation, delicious food and adventurous activities we also offer a comprehensive Entertainment Package, from Wednesday to Sunday, to cater for all who are lucky enough to visit our remarkable estate.

In this guide you will find an Entertainment offering for the next few weeks. The guide is as up-to-date as can be. If your holiday dates are yet to be added then hopefully you can use the schedule for the weeks leading up to your trip as a rough guide as to what you might expect when you arrive on park. Most of the Entertainment package is free to attend, however some are limited in space and so may require prior booking and/or a small fee. Any events that require booking can be done so via book.when/drimsynie. these will be labelled in the guide with a (B).

In the daily/weekly schedules you will see only the title of the event, however in the next few pages I will do my best to explain what to expect in all our sessions in a little more detail, including age ranges, prizes that might be won, or if the session is limited to a certain amount of spaces.

If you are visiting for any special occasion, or there is something we might be able to do to add a little more sparkle to your trip please do drop me an email and myself and the team can see what we can do. Equally, any feedback and or suggestions are always welcome as they ensure we keep our Entertainment programme stays relevant to our most valued customers and owners

We look forward to having you on park!
